BUSINESS ASSISTANCE

NJEDA offers funding and mentoring to help you grow

NJ FOUNDERS & FUNDERS

Held biannually, entrepreneurs meet with venture investors one-on-one to give honest, open feedback on business models, strategy and technology.

NJ COVEST FUND

Seed funding between \$100,000 – \$250,000 is available to New Jersey life sciences companies to further commercialize their technology and scale revenues.

EDISON INNOVATION FUND

Structured as convertible debt, early-stage companies are provided growth capital to directly fund hiring key staff, product marketing and sales.

NJ IGNITE

Entrepreneurs are eligible for free rent support in qualified coworking spaces.

BIG MAGIC

Healthtech startup that moved into the VentureLink@NJIT in Newark with the support of NJ Ignite. The incubator offers them access to university staff and networking opportunities.

BUSINESS ASSISTANCE

NJEDA provides the support for your business to thrive

ANGEL INVESTOR TAX CREDIT PROGRAM

Investors in a qualifying New Jersey life science business may benefit from a 20% investment tax credit. An additional 5% bonus is available for a business located in a qualified opportunity zone, low-income community, or is certified as minority or women-owned.

TECHNOLOGY BUSINESS TAX CREDIT TRANSFER (NOL)

Enables qualified, unprofitable
New Jersey-based biotech
companies with fewer than 225
U.S. employees (including parent
company and all subsidiaries) to
sell a percentage of net operating
losses (NOL) and R&D tax credits
to unrelated profitable
corporations.

SCYNEXIS

A biotech company that recently moved from North Carolina to New Jersey, credits funding from NOL as integral to bring its novel antifungal agent to market.

"Our objective in relocating to New Jersey was to be right in the middle of the action, where we could easily connect with, and recruit, top researchers and scientists and also provide an excellent location for our employees to raise their families."

Dr. Marco Taglietti, CEO, SCYNEXIS, Inc.
